Dear BGA Members and Guests,

On behalf of the Board, and membership of the Toronto Branch of the International Wine and Food Society, it gives me great pleasure to welcome you to our city. The Greater Toronto Area, with a population of over 5 Million people has a bounty of theatre, attractions, art galleries, markets and even our very own islands.

Known for our diversity we are a city where more than 100 cultures come together to share and enjoy the best of what everyone has to offer with wonderful neighborhoods and areas to experience. Take the time to explore some of the best dining, shopping and cultural

opportunities you can find in North America, much of which is within walking distance from your hotel.

During you stay, our hope is to provide you with a myriad of culinary taste treats with food and wine specially chosen to introduce you to an interesting Canadian dining experience.

May the work of the Board of Governors and your meetings be productive as we look forward to sharing the "pleasures of the table" with you.

Warmest welcome,

Martha S. Russel
President, IW&FS Toronto.
