## "Closer to Home" - Celebrating Local Produce

*We have just enjoyed the splendours of the Fall Harvest, Thanksgiving and soon the Royal Winter Fair will showcase the best. We care where our food comes from and Canada is one of the really great high standard producers in the world.*

*The IW&FS Toronto Branch invites you to "Eat Local" on Nov. 10th. Come and enjoy an entirely "Local Produce" evening of Tasting and Learning .... Fresh seasonal and local ingredients inspire Chef Ben Heaton's creative process and owner Edmund Ho's restaurant philosophy. He will be there to speak to it.*
