IWFS President's Garden Reception, September 11, 2016

HEADS UP!

IW&FS President's Garden Party Sunday, September 11, 2016 Reception/Cocktail: 3:00-6:00PM

Members \$95 Guests : \$110

This year we have a change of venue for the Garden Event. Joanne and Doug Colbourne have kindly offered the use of the garden facilities at their home in The Old Mill Towers. It is a beautiful outdoor space with a full indoor facility if we need it (we have ordered the premium weather package). Food is provided by Ma Maison restaurant and wine is from our cellar, selected by Marcel. At these events we clear out the singles left over from events held throughout the year so some of the wines will be a very pleasant surprise. This event is always a good mixer so invite guests and potential new members. Transportation by subway is right at hand. This is the start of a very full season of wine and food exploration. Please register soon as we will be placing our food and wine orders as soon as possible Register soon.
